Description Opensource project Hitobito seems like the perfect system for managing members, mailings, registrations for Groups, Events and Courses for Hackathons, Meet-ups and Online courses conducted at Ungelich.ch and friends. Project Website: https://hitobito.com Github Repo: https://github.com/hitobito/hitobito Project Demo: https://demo.hitobito.com/en/users/sign_in User Guide (in German): https://hitobito.readthedocs.io/de/latest/			

History

- #1 - 06/12/2022 06:25 AM - Nico Schottelius**
- Tracker changed from Idea to Task
 - Project changed from Open Infrastructure to Hack4Glarus 2022 (summer)

Good idea, moving it to the project of this hack4glarus

#2 - 09/22/2023 07:44 AM - Venu Kakarla

Nico Schottelius wrote in [#note-1](#):

Good idea, moving it to the project of this hack4glarus

Might be a good idea to move this back to Open Infrastructure

#3 - 01/02/2024 01:08 PM - Nico Schottelius

- Status changed from New to Closed
