Description			
Multiple people have requested OpenBSD support.			
Current status:			
<ul style="list-style-type: none">• opennebula support in https://github.com/reyk/cloud-agent• Missing: disk resize• Number of requestors: 3			
Next step: need to get back in touch with Claudio/Reyk/Philipp			

History

#1 - 01/07/2019 01:23 PM - Nico Schottelius

- Description updated

#2 - 06/28/2019 01:55 PM - Reyk Floeter

- Due date set to 06/30/2019

- % Done changed from 0 to 50

Status update:

- cloud-agent has been updated to version 0.9 with improved support for OpenNebula.
- The image has been updated to fit the needs of DCL.
- Login user is `puffy`, auto-generated password is in `~puffy/.ssh/authorized_keys`, root via ``doas -s``.

Missing: Support for `puffy` in the DCL frontend.

#3 - 06/28/2019 11:46 PM - Nico Schottelius

ping mondi

#4 - 01/02/2024 02:02 PM - Nico Schottelius

- Status changed from Waiting to Rejected
