Open Infrastructure - Task #6465

Expire the password reset link [datacenterlight, dynamicweb]

02/15/2019 09:59 AM - Nico Schottelius

Status:	Rejected		Start date:	02/15/2019
Priority:	High		Due date:	
Assignee:	Mondi Ravi		% Done:	0%
Category:			Estimated time:	0.00 hour
Target version:				
PM Check date:	07/15/2019			

Description

According to a customer report the reset link can be reused. The following changes are necessary:

- Expire after a certain time (I suggest 24h)
- Expire after one use

If feasible, I suggest to focus on ramping up the new user service, implement the change in there and then adjust dynamicweb to use the new user service. This will probably also include to register users in LDAP.

Mondi, if you have time we can work on it this weekend.
