

Open Infrastructure - Task #6989

Research LEETSPEAK websites

07/21/2019 01:51 PM - Jason Kim

Status:	Rejected	Start date:	07/21/2019
Priority:	Normal	Due date:	07/26/2019
Assignee:	Jason Kim	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
PM Check date:			
Description			
lookup / research / find websites that have lists of words written in leet speech - aka words that use 0-9 and a-f only			

History

#1 - 07/21/2019 04:48 PM - Jason Kim

- Status changed from New to Seen

It needs to add a detailed description of the LEETspeak.

#2 - 07/22/2019 11:05 AM - Il nu

<http://www.robertecker.com/hp/research/leet-converter.php>

<https://nedbatchelder.com/text/hexwords.html>

and most impowtantwy: <https://honk.moe/tools/owo.html>

flies away •[]•

#3 - 07/22/2019 11:30 AM - Nico Schottelius

<https://nedbatchelder.com/text/hexwords.html> is what I was looking for!

Very cool!

Let's make a local copy in this ticket and then close it. Also copy the colour words referenced from it
