- Status changed from New to Feedback

- If we don't have to move for Hack4Glarus we should buy some used/new mattresses.
- If you are okay with that [Nico Schottelius](#), let me know how should we spend per Mattress

Let's do it the other way round: please find out how much to pay for mattresses and I'll let you know how to proceed. We can use clean used ones.

- I have Looked around the internet (Facebook, Ricardo, tutti) the price is around 30 ~ 50 Fr. for 90 X 200
- But I can't really tell the state/status of the Mattresses.

buy them & bring them to the hotel for a maximum of 150 CHF.
Try to checkout the state prior to buying & try to get them in a batch if possible
