

Open Infrastructure - Task #8111

Monitor unbound nodes

06/03/2020 08:06 AM - Timothée Floure

Status:	In Progress	Start date:	06/03/2020
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
PM Check date:			
Description			
There's a prometheus exporter for unbound: https://github.com/wish/unbound_exporter			
TODO: deploy it against service-monitoring, sexy grafana graph + alerts.			

History

#1 - 06/15/2020 09:59 AM - Timothée Floure

- Status changed from New to In Progress

Everything's in prometheus/grafana: we just need alerts.

#2 - 02/10/2021 09:21 AM - Timothée Floure
